TERMS AND CONDITIONS

This office depends upon reimbursement from you, the patient, for the costs incurred for your dental care. The financial responsibility of each patient must be determined before treatment. As a condition of treatment by this office, I understand financial arrangements must be made in advance. All emergency dental services, or any dental service performed without prior financial arrangements, must be paid for at the time the services are performed. I understand that dental services furnished to me are charged directly to me and that I am personally responsible for payment. If I carry insurance, I understand that this office will help prepare my insurance forms to assist in reimbursement from insurance companies and will credit such reimbursement to my account. However, Cornerstone Dental Associates, PLLC cannot render services on the assumption that charges will be paid by an insurance company.

Assignment of Insurance: I authorize the release of medical/dental information necessary to process my claims and I authorize the release of this same information, when necessary, to other providers rendering medical/dental care. I understand that any fee estimate for dental care can only be extended for a period of 90 days. I also understand that in order to collect my debt, my credit history may be checked through the use of my Social Security Number or any other information I have given you. I agree that in the event that either this office or I institute any legal proceedings with respect to amounts owed by me for services rendered, the prevailing party in such proceedings shall be entitled to recover all costs incurred including reasonable attorney's fees. I grant my permission to you, or your assignee, to telephone me at home or at my work to discuss matters related to this form. I have read the above conditions (and conditions on reverse side) and agree to their content.

There may be a charge for any missed appointments or appointments not cancelled 48 hours before the appointment time.

Unpaid balances over 90 days may be placed with an outside collection service or attorney, at an additional cost to you. In the event that legal proceedings become necessary to resolve any unpaid balance, attorney fees and court cost involved with the collection of the outstanding balance will be the responsibility of the patient/guarantor. There will be a 23% APR service charge applied to any account with a balance over 90 days and a \$39.00 fee for all returned checks.

I understand I am responsible to said doctor(s) for charges not covered by this assignment. I further agree in the event of non-payment to bear the cost of collection at a rate of 35% of the total bill in addition to the amount of the total bill if collection procedures be required.
